You Can Also Have a Beautiful Lawn

Through the courtesy of Mr. Geo. E. Glover, we reproduce the above photo of Mr. Glover's new home and lawn. This photo was taken last spring after ten weeks of continued dry weather and shows how beautiful this velvety green lawn looked at that time. Results like these can only be obtained by sowing grass seed of the highest grade and quality. Lodging and Day, Landscape Gardeners, of Mobile, designed and planted the grounds around this home and they selected Van Antwerp's Lawn Grass Seed as the best.

Van Antwerp's Winter Lawn Grass Seed is a studied formula containing such grasses as are adapted to our Southern soil and climate and free from any noxious weeds seeds. You can also have a beautiful velvety green lawn by sowing Van Antwerp's Winter Lawn Grass Seed from September to end of January, although for best results the lawn should be seeded during October or November.

For new or remade lawns, space or plow twelve inches deep, removing all stones or litter. Apply fifty pounds of hydrated air slacked lime to every thousand square feet and harrow or rake in. About ten days after liming apply one hundred pounds Wizard Brand Pulverized Sheep Manure to every thousand square feet. Avoid using stable or barnyard manure as it produces weeds. After applying the sheep manure the surface should be raked over until it is fine, smooth and level. Sow the seed by hand or seed sower, using care to cover the entire surface and rake or harrow in the seed.

When the seed is raked in roll the surface with an iron roller or for a small lawn the ground can be leveled with the back of a spade. The lawn should be carefully watched and all weeds pulled up or cut with a knife as they appear from time to time.

Price: Van Antwerp's Winter Lawn Grass Seed—Lb. 40c; 2 lbs. 75c; 5 lbs. $1.75; 10 lbs. $3.00; 20 lbs. $6.00; 50 lbs. $14.00; 100 lbs. $27.50. Price includes payment of postage or express by us.

Stim-U-Plant

This fertilizer comes in tablet form and you simply insert the tablets in soil near the plant. Complete instructions for use with every package. Price: Small size (30 tablets) $2c; 100 tablets 75c; large can (1,000 tablets) $3.50, postpaid.

Bone Meal

A splendid fertilizer for every soil, supplies abundant nourishment to plants over a long period. Excellent for rose beds, flower-beds, garden and for top-dressing lawns. Price: 5 lbs. 30c; 10 lbs. 55c; 25 lbs. $1.25; 50 lbs. $2.25; 100 lbs. $4. Postage, express or freight extra.

Sheep Manure

In the garden, the hot bed, the cold-frame, for fruit trees, in flower beds and pets and on the lawn, Sheep Manure will give most excellent results. Price: 5 lbs. 85c; 10 lbs. $1.65; 25-lb. bag $6.00; 50 lbs. $1.75; 100 lbs. $3.50. Postage, express or freight extra.

Strawberry Plants

Culture—Strawberries require but little room and attention and will do well in any soil adapted to ordinary farm or garden crops. In preparing to plant Strawberries the soil should be prepared to a good depth and enriched with well-rotted stable manure or good commercial fertilizer. Plant in rows 3½ feet apart and 18 inches apart in the row, which will require in round numbers 8,000 plants per acre. Or in rows 3½ feet by 2 feet apart in row, 6,000 plants per acre. In garden plots where cultivating is to be done entirely by hoe, plant 2 feet by 2 feet each way, at this distance a plot of ground 30 by 50 feet will take 600 plants. A good sandy soil about 10 to 12 inches deep over clay sub-soil is best.

Klondike—The best all-around mid-season berry and well adapted generally over the South. Very Prolific. In season for two or more weeks. Large, bright red berries. Klondike is the most popular variety of all.

Aroma—Very large, late maturing, berries solid, deep red, uniform in size; does well in this section. Perfect blossoming.

Lady Thompson—One of the most profitable of the Strawberries for Southern planting, combining large size and good shipping quality.

Missionary—One of the best up-to-date berries. It is a clean, healthy plant and succeeds anywhere. Very good shipped and fine flavor.

Prices of Strawberry Plants for even quantities of any variety: 25 plants 50c; 50 plants $1.00; 100 plants $2.00; 500 plants $3.00; 1,000 plants $5.00, postpaid.

NOTE—No plants shipped to Florida. No plants sent C. O. D. Delivery cannot be made before October 1st, which is the best time to put out Strawberry Plants in the South. Send us your order now, we will ship at proper planting time.

From 4 to 6-inch pots, $1.75 each. From 8 to 10 inch pots, $2.00 each, prepaid.
The World's Best Bulbs

For Fall Planting

Imported Direct By Us For You
From Holland France Japan

Important Notice

The cream of the World's Best Flowering Bulbs are imported each year by Van Antwerp's. These choice bulb roots are shipped direct from the leading growers in Holland, France, Japan and California, and they usually reach Mobile the latter part of August. This special fall catalog is issued in July, although October and November are the best months to plant bulbs in the Southern States. This early issue of our catalog will give our customers an opportunity to make a suitable selection of the bulbs they need for Fall Planting. Don't wait till planting time to send us your bulb order but mail it just as soon as you receive this catalog and we will ship you the bulbs when we receive them from Europe. You will receive them at correct planting time. If you order bulbs and seeds the seeds will be shipped by return mail and the bulbs later.

Planting and Care of Bulbs

When planting bulbs in the garden loosen up the soil well. If it is wet or heavy soil, put a handful of sand under the bulb for drainage. Bone meal mixed with the soil or put on the earth over the bulb will assure you of extra fine flowers. For outdoor planting we recommend putting out bulbs in October or November.

Hyacinths, Tulips, Narcissus, and similar large bulbs should be planted from four to six inches deep, smaller bulbs such as Crocus, three inches deep. Most bulbs bloom in April when planted in Fall.

For house culture there is nothing more beautiful than a bowl of sweet-scented Paper-White Narcissus, California Freesia or Chinese Sacred Lilies.

These bulbs can be started indoors in September and will produce blooms by Christmas. They can be grown in pots of soil, pebbles or Bulb Fibre.

Van Antwerp's Prepared Bulb Fibre is a complete substitute for soil, scientifically prepared for use in receptacles without drainage. It is clean and odorless; no saucers necessary, no fear of staining the woodwork or table coverings. And bulbs really grow better in it than in soil, for it absorbs and holds an even moisture, and on account of its fluidness allows the roots to penetrate freely.

Exhibition Hyacinths—Named Varieties

This size of bulb is known as "top roots," the largest size of Hyacinths imported into this country from Holland. They are the bulbs that are grown for those massive spikes of bloom you see in 151 national Flower Shows.

GRANDEUR A'MERVEILLE—Charming rosy white; very popular variety.

KING OF THE BLUES—Dark glossy indigo blue; fine bells.

GARIBALDI—Rich glossy crimson.

MENELIK—New. Almost black; best of its color; large truss.

KING OF THE BELGIAN—Brilliant scarlet.

MORENO—Large bright pink; a great favorite.

Price: Any of the above varieties of Exhibition Hyacinth Bulbs: 25c each; 6 for $1.50; 12 for $2.75; 50 for $10.00, postpaid.

SPECIAL COLLECTION OF 12 BULBS—This collection contains 1 bulb of each of the above 12 named Hyacinths. The 12 for $1.50, postpaid.

SPECIAL COLLECTION OF 36 BULBS—This collection contains 3 bulbs of each of the above 12 named Hyacinths. The 36 bulbs for $7.00, postpaid.

Van Antwerp's Special Bedding Hyacinths

Van Antwerp's Special Bedding Hyacinths are great favorites as they can be planted indoors or outside. The bulbs should be planted 4 inches deep and 8 to 10 inches apart. We offer them in six separate colors which makes them especially valuable for bedding in designs enabling one to obtain the exact color effect desired.

Price of Bulbs: 15c each; 6 bulbs for 75c; 12 for $1.50; 50 for $5.75; 100 for $11.00.

Vadco Famous Rainbow Hyacinths Mixed Colors

Price: 15c each; 3 bulbs for 40c; 6 for 75c; 12 for $1.50; 50 for $5.75; 100 for $10.00.

PLANT BULBS THIS FALL

AND ENJOY SPRING FLOWERS
TULIPS
For outdoor planting Tulips are exceedingly effective and are perhaps the most popular of all Dutch bulbs, but, unfortunately, they do not stand our Southern climate as well as the Narcissi and Hyacinth.

The Giant Darwin Tulips known as the aristocrats of the Tulip family, are the only varieties of tulips that will grow successfully in Southern States. The Single and Double Early Tulips which are popular in the North are not satisfactory in the South, and if planted usually prove disappointing. On this account we only list these Early Tulips in mixed colors. In order that our customers would be assured of the very finest varieties in Giant Darwin Tulips we asked our grower in Holland to make a selection for us of the choicest colors and easiest grown sorts, and we list his selection on this page.

Giant Darwin Tulip Bulbs

NARCISSI and DAFFODIL BULBS

Our Government Has Prohibited Their Importation After 1925

SPECIAL NOTICE

We regret very much that after 1925 no more Narcissi or Daffodil Bulbs can be imported from Europe. The Federal Horticultural Board has prohibited their importation after this year. For many years Narcissi and Daffodils have been the glory of our American gardens, and we hope that the government may raise the ban, although we fear all efforts to have the ruling set aside have proved a failure. Of course some bulbs are now grown in this country, but so far work is only in the experimental stage and it will be many years before this country will produce half as many bulbs as are now imported from Holland each year. Narcissi bulbs do exceedingly well in the Southern States and we recommend a liberal planting this year as prices will be very much higher next year. We will be glad to quote special prices on Narcissi bulbs to parties intending to plant a large place for commercial purposes. Remember you will have a ready sale for all the Narcissi Bulbs you can raise for many years. Narcissi Bulbs should be planted 4 inches deep and 6 to 12 inches apart. Order early as the demand will far exceed the supply this year.

Single Trumpet Daffodils

Emperor—A giant flower with a yellow trumpet and primrose petals. One of the finest of all Narcissi, both for growing in pots and for bedding. (See illustration) 3 bulbs 30c; $1.00 per doz.; $6.00 per 100 postpaid.

King Alfred—The largest and finest pure yellow daffodil in commerce; immense flowers of intense yellow; trumpets large and ones with a deeply filled mouth. 2sc each; $3.00 per doz.

Barri Conspicuus—A flower of great beauty; broad spreading yellow perianth; short crown colored orange-scarlet. 70c per doz.; $5.00 per 100, postpaid.

Firebrand—Perianth creamy white, shaded lemon at base, very red cup. $1.00 per doz.; $6.00 per 100, postpaid.

Glory of Nodewijk—A zany, large yellow trumpet. 3 bulbs 30c; $1.00 per doz.; $6.00 per 100, postpaid.

Golden Spur—Extra large, all yellow flowers; very early and extremely free-flowering. Height 18 inches. 3 bulbs 30c; $1.00 per doz.; $6.00 per 100, postpaid.

The Hardy, Cluster-Flowered Daffodils

Alsace—Pure white, with yellow cup, having a slightly reddish edge when nearly opened. 3 bulbs 30c; $1.00 per doz.

Elvira—The flowers are pure white with yellow cup, and are borne in clusters. 3 bulbs 30c; $1.00 per doz.

Irene—Broad flowers, born 7 to 8 on a stem; 3 stems to a bulb. The largest yellow. 3 bulbs 30c; $1.00 per doz.

Poeticus (Pheasant's Eye, or Poet's Narcissus)—Flowers snow white, with beautiful lemon yellow cup; edged with bright orange-red. 50c per doz.; $4.50 per 100, postpaid.

Freesias

These are among the most fragrant of all bulbs and can be easily forced. They are adaptable for house culture only, and grow extremely well in pots of soil or bowls filled with Van-Antwerp's Prepared Bulb Fibre. The exquisite delicate perfume emitted from one bowl of these will scent a large room.

"FARDEL" COLORED—These novelty Freesias are rapidly becoming very popular on account of their lovely and unique coloring. We offer the mixed colors, which include shades of pink, mauve, purple, violet, blue, and yellow. 70c per doz.; $5.00 per 100.

PURITY—The best variety, producing large sprays of purest white flowers of immense size and delicious fragrance. 40c per doz.; $3.00 per 100.

Snowdrops

In the early spring months there is nothing more beautiful than a sheet of the snowy, graceful blossoms of the Snowdrop. Beds and effects of surpassing beauty may be arranged with Snowdrops in the center.

Single Snowdrops 40c per doz.; $3.00 per 100, postpaid.

Double Snowdrops 40c per doz.; $4.50 per 100, postpaid.

OLD-FASHIONED

Jonquilla or Jonquils

Many people confuse the old-fashioned Jonquil with the Narcissus or Daffodil. The Jonquils listed below are small bulbs and produce small flowers which are very fragrant. Intending purchasers should use care in ordering and not confuse the Jonquils with the Narcissi or Daffodils.

Single Jonquils—Beautiful rich yellow flowers; very fragrant. 6 bulbs 30c; 12 for 50c; 25 for $1.00; 100 for $3.50.

Double Jonquils—Heads of small but very double deep yellow flowers, powerfully scented. 6 bulbs 40c; 75c per doz.; $6.00 per 100, postpaid.

White Polyanthus Narcissi

Paper-White Grandiflora—Are much more largely used for early forcing for cut flowers than any other kind of bulbs. They produce pure white flowers that are very fragrant. Paper-Whites can be grown successfully in pots of soil, pebbles, or Potted Bulb Fibre. 3 bulbs 25c; 60c per dozen; $4.50 per 100, postpaid.

Satellit d'Or—Golden yellow, sometimes called the Yellow Paper-White. It is a beautiful variety, and is valuable for gardeners for forcing. 3 bulbs 30c; $1.00 per doz.; $6.00 per 100, postpaid.

76 bulbs sold at the dozen rate.
German Iris

These beautiful Irises bloom early in the spring, and because of their great variety of colors, they make a magnificent show. They are perfectly hardy and thrive in almost any soil, especially where they are exposed to the full sun. No home-garden is complete without a few clumps scattered about, and they are also excellent for massing and bordering.

GERMAN IRIS MIXED—Mixed from named varieties. They will produce a charming effect. 15c each; $1.50 per doz., postpaid.

Japanese Iris

This queen of the large-flowering Irises is very attractive. It flowers a little later than the German Iris, which adds greatly to its popularity. The flowers are of an enormous size and there are single and double varieties, both being equally attractive.

DOUBLE AND SINGLE MIXED— Splendid range of colors. 15c each; $1.50 per doz. postpaid.

Spanish Iris

Special mixture from named varieties, a choice selection of colors. 80c per doz.; $6.00 per 100.

Peony Roots

Large 3- to 5-eye roots in the following colors: Exhibition Double White, Pink, Cranberry or Mixed Colors. Large roots, 50c each; $5.00 per doz.

Anemone - Windflower

These popular flowers of French origin are exceedingly useful as a decorative plant for house or garden, and fine for cutting. 60c per doz.; $4.50 per 100.

Famous Creole Easter Lilies

The Creole Easter Lily is by far the best lily for outdoor or indoor planting in the South. These bulbs are especially grown for Van Antwerp’s by a Southern grower and are adapted to our climate and soil. We can supply extra size bulbs measuring 7 to 9 inches in circumference, which, if properly grown, will produce 8 to 10 flowers.

Price: VADCO CREOLE EASTER LILY BULBS—Extra Size Bulbs, 25c each; 3 for 65c; $2.50 per dozen; 25c postpaid.

Hardy Lilies

For Outdoor Planting

For color, fragrance, beauty and variety of form, nothing can equal these grand flowers; whether grown in pots or grouped in the hardy plant border, where their hardness makes them so desirable, they are always an object of beauty.

LILY Bulbs, being of late maturity, are not ready before October and November (the best time to plant them).

LILY AURATUM (The Gold-Banded Lily of Japan)—The most beautiful variety of all the Lily family; should be in every garden. Flower white, dotted crimson, with a clear golden band running through the center of each petal; very fragrant. Mammoth bulbs, 40c each.

LILY SPECIOSUM RUBRUM—Large bulbs producing attractive white flowers shaded and spotted with rose and red. Mammoth bulbs, 50c each; $5.00 per dozen.

SUPERBULB (Our Native Turk’s Cap Lily)—Rich orange-red petals, tipped red and dark spotted. 4 to 6 feet high. Blooms July and August. 25c each; $2.50 per dozen.

LILY Candidum (Madonna or Annunciation Lily)

This is one of the oldest, loveliest and best known Lilies. Can only be planted in fall. Ours is the thick-petalled type, imported by us from Northern France. The flowers, of which there are three to twenty on each stem, are snow-white, with heavy yellow stamens, and of the most delightful fragrance. It is hardy and will thrive in any ordinary soil, preferring plenty of light and air. Blooms in the open ground.

MAMMOTH SIZE—35c each; $3.50 per dozen.

Lily of the Valley Pips

Lily of the Valley Pips are the best of all for forcing purposes and will do fine for you for pot or box growing this coming winter in the house. They produce strong spikes of 12 to 18 extra large pure white bulbs each and are delightfully fragrant. The new crop generally arrives in November. We will keep your order and ship to you as soon as they reach Mobile. Very easy for anybody to grow. 1 doz. per 25c; 2 doz. per 40c; 100 per $3.00.

Grape Hyacinths

These very curious and pretty little Hyacinths are perfectly hardy and of the easiest culture, they thrive and increase in either sunny or partially shaded positions in the garden.

BLUE GRAPE HYACINTHS—40c per doz.; $3.00 per 100, postpaid.

WHITE GRAPE HYACINTHS—60c per doz.; $4.00 per 100, postpaid.
